

SST NightHawk™ SSD

SATA MLC Solid State Drives

BUSINESS STORAGE

Sole Source Technology offers a wide range of standard and system specific Hard Disk and Solid State Disk based storage options for consumers, SMB and Enterprise.

TAA COMPLIANT SSD

Complete Product Certification and Traceability to the Source. Sole Source Tech SSDs are the ideal Solid State Storage Solutions for our partners who sell to the US government!

SST NIGHTHAWK

SST NightHawk MLC SSD (TAA)

BUSINESS PERFORMANCE

NightHawk combines the performance benefits of a solid-state drive with the big data capacity of mechanical hard drives. NightHawk SSD is the ideal solution for business laptop and desktop workstation upgrades as well as light-duty server applications. TAA Compliance means NightHawk is perfect for government agencies who purchase through the GSA schedule.
